

# **CLASS OF 2019 CRUSADER OF THE MONTH**

## **Sarah Paige Staniforth**

**MONTH HONORED: November 2018**

*Sarah was selected by Mrs. Alexander and Mr. Callow*

Mrs. Alexander and Mr. Callow have chosen Sarah Staniforth as November Student of the Month. There are many reasons that Sarah deserves this honor:

Sarah has an outstanding work ethic. She always does her work, and even in the busy fall season when she missed a lot of school due to golf, she always made up the work and made sure she learned anything that she had missed. She is willing to ask questions when she does not understand something, a quality that will take her far.

Sarah NEVER complains. Mr. Callow has taught her for three years and has never heard her complain about a single assignment, project, etc. She completes it and never says a bad thing about it. Mrs. Ogren says that Sarah can always be relied upon to be where she needs to be and prepared to perform. She lights up a room and the stage!

Sarah is always willing to help when someone is in need. As a three-year member of the National Honor Society, she is always one of the first people to volunteer for projects. She also volunteers as a member of the National Art Honor Society and as an altar server.

Sarah is not afraid of a challenge; she currently takes three AP classes as well as physics. When many seniors may be getting a touch of senioritis, she is taking the toughest course load a senior can have at MCC.

Sarah is a great listener. It seems when problems arise, she can listen and help find a solution in a very matter-of-fact and helpful way. This will be an asset in her dream to study psychology.

Sarah is a talented singer who regularly performs in *Floodlight Fever* and the MCC musicals. Last spring, she delighted the audience with her portrayal of Madame de la Grande Bouche -- the Wardrobe -- in *Beauty and the Beast*.

Sarah has been a member of the North Muskegon/Muskegon Catholic Central golf team for four years, playing as part of a state-qualifying team each year. The team capped off the year with a third-place in the 2018 state tournament.

Sarah would like to study psychology in college, although she has not yet determined which school. She is the daughter of Mark and Gina Staniforth and attends St. Francis de Sales Church.
