

# **CLASS OF 2018 CRUSADER OF THE MONTH**

## **Riley William St. Amour**

**MONTH HONORED: October 2017**

**Riley St. Amour was selected by Mrs. Deb Charron**

For his character, compassion, and commitment, his determination, his dedication, and his faith, I choose Riley St. Amour as the October student of the month. He has been an integral part of the Muskegon Catholic Central High School community for the past four years.

Riley is respectful, courteous, and gracious to everyone he encounters. He is well-liked by the faculty and staff as well as by his peers. He is kind and polite, and he goes out of his way to be helpful. He is reliable and efficient and a pleasure to work with.

In the classroom, Riley works hard and gives every effort to achieve. He pursues our most rigorous and challenging courses. He performs near the top of his class academically, and he is always willing to share his knowledge with other students. As a student, he is intelligent and inquisitive with a great work ethic. He is logical and analytical, and he possesses all the qualities that will lead him to success in his post-secondary academic pursuits.

Riley is an accomplished athlete in both football and baseball. He has participated in both sports for all four years of his high school career and, he has been a contributing factor to many outstanding teams. In athletics as in academics, he is very hard-working and dedicated. Riley is very 'teachable' – he listens to and follows directions to the letter. I am guessing that this also makes him very 'coachable' – which combined with his talents, makes him a key part of MCC sports programs.

Riley is a thoughtful leader in the classroom and on the sports fields – choosing to lead by example. He is strong in his convictions and beliefs and is a good role model for the underclassmen. He will certainly continue to be successful in his college career, and he will be missed by his MCC family next year.

Riley has received the Academic Excellence Award in his freshman, sophomore, and junior years. He regularly volunteers his time at Sacred Heart Parish, and he has worked at the Gentex Corporation hangar as a flight department line service technician.

He plans to study pre-med in college, but he is not yet certain which school he will attend.

Riley is the son of Nancy and Paul St. Amour, and he attends Sacred Heart Parish.

# **CLASS OF 2018 CRUSADER OF THE MONTH**

## **Lauren Grace Doriot**

**MONTH HONORED: October 2017**

**Lauren Doriot was selected by Mrs. Kelly Dornbos**

Lauren Doriot is my choice for Crusader of the Month. On a daily basis, Lauren demonstrates exceptional character, sincere compassion, and genuine commitment to all that she does.

Lauren's natural propensity to be positive is inspiring. She has a gift for remaining calm under pressure. Lauren recognizes what needs to be done and how to do it – while maintaining her composure. This will afford her great successes in the future.

Lauren has an infallible commitment to anything she does. She has dedicated countless hours to volleyball, basketball, Student Council, NHS, the musical, and Yearbook, and I am certain that her leadership and dedication has made each program richer.

William James once said, "It is our attitude at the beginning of a difficult task which, more than anything else, will affect its successful outcome," and I believe that Lauren is proof that strong character coupled with sincere positivity is the formula for so many successful outcomes during her high school career.

Lauren is a person of strong convictions who demonstrates a great compassion towards all. Her desire to be involved in the world around her will make the lives of so many brighter because she is a motivated, sincere, and talented human being who has already made her MCC community a better place.

Lauren is the daughter of Brad and Lori Doriot, and she attends St. Francis de Sales Parish.
