

Dear Parents:

Where in the world are your Race for Education donations coming from? Find out this fall as we kick off our annual elementary school fundraiser Race for Education. There will be a map on the bulletin board in the elementary hallway highlighting all the places our donations are coming from. Please note that you will receive your Race for Education information packet and label sheet that **first week of school**. The race will take place in the afternoon on Friday October 20th, 2017.

For those of you not familiar with this fundraiser, here is some basic information:

- * Race For Education is a national jog-a-thon which involves students walking and/or running around a designated area for one hour.
- * The success of Race for Education is based on students bringing in the names of people who are potential sponsors for the jog-a-thon.

- * There is NO “house-to-house” sign up of potential sponsors. It is all done by filling in a label sheet of names. For every 10 names that a student brings in, our school should receive at least \$75.00 in contributions.
- * Potential sponsors may be family members, relatives, close friends and neighbors. We will be able to reach out of state family and friends with this fundraiser!
- * There are lots of great prizes to be won by our students, and the Race Day will be lots of fun for students and spectators!

Last fall, we raised over \$29,000 for our school. We look forward to another successful fundraiser and will need many volunteers to help out, so please consider donating some of your time.

Thank you for supporting your children and our school!

Jennifer Offman and Tricia Hilson
Race Co-coordinators
